## IMPORTANT NOTICE – READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy – what's next? We want *you* to understand (and it is in *your* best interests to know) what *your* policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through *your* policy before *you* travel. Italicized terms are defined in *your* policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and *emergencies* and typically not *follow-up* or recurrent care).
- To qualify for this insurance, *you* must meet all of the eligibility requirements.
- This insurance contains limitations and/or exclusions (i.e. *pre-existing medical conditions* that are not *stable*, pregnancy, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to *pre-existing medical conditions*, whether disclosed or not at time of policy purchase. It is *your* responsibility to review the *pre-existing medical condition* exclusions and stability requirements, understand how they apply to *you* and how they relate to *your* departure date, date of purchase and/or effective date.
- In the event of a claim, *your* prior medical history may be reviewed.
- If *you* have been asked to complete a Medical Questionnaire and any of *your* answers are not accurate or complete, an extra *deductible* may apply.
- If *your* health changes after *you* have purchased *your* insurance, *you* are not required to call to update *your* Medical Questionnaire (if applicable) or modify *your* application. However, *your* health change may affect *your* coverage for *pre-existing medical conditions* and *you* may choose to contact *us* to review *pre-existing medical condition* coverage and discuss whether other coverage options are available.

IT IS *YOUR* RESPONSIBILITY TO UNDERSTAND *YOUR* COVERAGE. IF *YOU* HAVE QUESTIONS, CONTACT *US* OR VISIT [tugo.com](https://tugo.com).

PLEASE READ *YOUR* POLICY CAREFULLY BEFORE *YOU* TRAVEL.

This policy contains a provision removing or restricting the right of the *insured* to designate persons to whom or for whose benefit insurance money is to be payable.

**All words in italics have a specific meaning with a corresponding definition. Refer to the Definitions section on page 37 for details.**

When completing the application and answering the medical questions, *your* answers must be complete and accurate. In the event of a claim, *we* will review *your* medical history. If any of *your* answers are found to be incomplete or inaccurate:
  - a A \$15,000 CAD *deductible* will apply to any incident claimed, in addition to any other *deductible* you may have selected.
  - b Coverage won't be provided until *you* correct *your* answers; and if applicable, *you* pay any additional premium that may be required.
- 2 Coverage under this Policy will be void if *you* do not meet the eligibility requirements for the plan selected as set out at the time of application.
- 3 *We* will not pay a claim if *you*, any person insured under this Policy or anyone acting on *your* behalf fails to disclose any material fact or makes a fraudulent, false or exaggerated statement or claim.
- 4 **Subrogation** — *We* will not subrogate against any extended benefit plans if the lifetime maximum limit for all in-country and out-of-country benefits under that plan is currently \$100,000 or less. If the lifetime maximum limit under that plan is greater than \$100,000, *we* may exercise *our* right to subrogate, but, if applicable, *we* will limit *our* subrogated claim to the extent required to preserve \$50,000 of the lifetime limit available under that plan, except in the event of *your* death.

If compensation is or will be available from a third party for any payments made by *us* under this Policy, *we* have the right to subrogate to recover those payments. *We*, at *our* own expense, can file a suit in *your* name for that purpose and *you* authorize *us* to do so. This right of subrogation is in addition to and does not limit any other right of subrogation existing under common law, equity or statute. Further, if *you* make any claim against a third party related to payments that *we* made under this Policy, *you* will include the amount of those payments in *your* claim against the third party. If *you* obtain compensation for a portion or all of the included payments *we* made, *you* must immediately remit that compensation to *us*. *You* understand that *you* shall do nothing to prejudice *our* rights of subrogation, which includes not releasing third parties from liability without *our* express written agreement.

- 5 **Coordination of Benefits** — Unless otherwise stated in this Policy, this Insurance is excess to all other valid insurance. If any other valid insurance is also an excess insurance, *we* will coordinate benefits of all eligible expenses with that insurer. All coordination follows the guidelines set by the Canadian Life and Health Insurance Association.
- 6 *You* may not claim or receive more than 100% of *your* total covered expenses. This general condition does not apply to Accidental Death and Dismemberment.

- 16 In the event of *your treatment* by a *physician* or other registered medical practitioner or other circumstances that have led or may lead to a claim under this Policy, *you* authorize any *hospital*, *physician* or other person or organization that has records or knowledge of *you* or *your* health, medical history or other information relevant to the claim to provide *us* that information and authorize *us* to use and disclose that information for the purpose of determining whether any claim that may be made is covered by this Policy or by another plan or Policy.
- 17 If requested by *us*, *you* must furnish or consent to the release of *your* medical records for the relevant period before the effective date of the Policy and/or during the term of the insurance required in order to determine if the claim is payable. Failure to produce these records will invalidate *your* claim.
- 18 In the event of a claim, upon request, *you* will establish the date and time of departure and initially planned date of return of the trip.
- 19 *You* shall be responsible for the verification of any *hospital* and medical expenses incurred and shall obtain itemized accounts of all *hospital* and medical services which have been provided.

Any legal action or other proceeding related to or connected with this Policy that is commenced by *you* or anyone claiming on *your* behalf or by an assignee of benefits under this Policy must take place in the courts of the province/territory of Canada in which *you* purchased this Policy, and no other court has jurisdiction to hear or determine any such action or proceeding.
- 25 This Insurance provides no coverage and no *insurer* shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such coverage, payment of such claim or provision of such benefit would expose that *insurer* to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
- 26 *We* shall not reimburse any interest charges accrued by *you*.
- 27 If *you* are a US citizen, *you* may have an obligation to purchase insurance under the Affordable Care Act ("ACA"). This policy is not subject to the ACA and is not intended to fulfill individual obligations to purchase health insurance coverage under the ACA. Please contact *your* tax adviser or lawyer if *you* think the ACA obligations may apply to *you*.
